

CIDP
AMBASSADOR PROGRAM

**EDUCATIONAL
OPPORTUNITY**

Improving the Recognition, Diagnosis & Treatment of CIDP

November 14-16, 2024 • Raleigh, North Carolina

APPLY

WHO:

Up to 24 neuromuscular fellows, comprehensive neurology fellows and comprehensive neurologists.

WHAT:

Participants will learn from six faculty experts on improving the recognition, diagnosis and treatment of chronic inflammatory demyelinating polyneuropathy (CIDP). All attendee expenses paid.

Topics Include:

- History of IG and use in Neurology and tour of the Grifols plasma manufacturing facility
- Electrodiagnostics of immune neuropathies
- Recognizing CIDP and CIDP variants
- Treatment of CIDP and emerging treatments
- CIDP from the insurer's perspective
- Dynamic case studies breakouts and ask the experts panel sessions
